North Central National Service Training Conference
The Drake Hotel
140 East Walton Place
Chicago, Illinois 60611

Greetings!

As Governor of the State of Illinois, I am pleased to welcome everyone gathered in the great city of Chicago for the 2018 North Central National Service Training Conference.

Illinois has a strong history of supporting voluntarism and National Service, and we are excited to share our experiences and gain from yours. For nearly 40 years, Serve Illinois has been our Commission on Voluntarism and Community Service. Serve Illinois works to improve our communities by enhancing voluntarism and instilling an ethic of service throughout our state. This year, more than 12,000 people are serving Illinois communities through AmeriCorps and Senior Corps. They are “getting things done” at more than 2,100 sites across our 102 counties. Each day, they are changing lives and making Illinois a better place to live, work, and play.

As you gain from each other’s knowledge and experience, I hope you take some time to step outside and enjoy one of the greatest cities in the world. From the historic Navy Pier to our beautiful Millennium Park, there is so much here that you will find nowhere else in the world, and we’re delighted you’re here to see it. You have picked an excellent time to join us, as we celebrate the Illinois Bicentennial. Throughout the year we are celebrating the many amazing people and things that are born, built, and grove every day in Illinois.

On behalf of the people of Illinois, I offer my best wishes for a meaningful and enjoyable event.

Sincerely,

Bruce Rauner
Governor, State of Illinois

Dear Friends,

As Mayor, and on behalf of the City of Chicago, I am pleased to extend warmest greetings to all those gathered for the 2018 North Central National Service Training Conference.

The North Central National Service Training Conference supports national service staff such as AmeriCorps and Senior Corps, with their professional development. Workshops on topics of grants management, budget management, financial management, performance measurements, and many other topics, help to ensure that these services continue to give people the opportunity to tackle the important challenges and transform lives.

This year’s event brings over 200 nonprofit and national service professionals, state service commission staff, CNCS, and volunteer management partners for an educational training conference. With an array of keynote lectures, hands-on workshops, exciting exhibits, evening receptions, and service projects, attendees will have the opportunity to learn, network, and be inspired. I commend the North Central National Service Training Conferences for their tireless work in service-related programs that help to improve our communities.

It is my hope that after learning about and discussing what’s now and changing, you will take the time to explore and take advantage of everything Chicago has to offer. An exciting variety of restaurants, universities and world-class museums accented by iconic skyline, incredible lakefront, and historic neighborhoods make Chicago one of the world’s greatest cities.

I hope you have an enjoyable and informative conference and submit my wishes for much continued success.

Sincerely,

RAHM EMANUEL
Mayor
